

Setting up Application Environment

Create Sendgrid Account

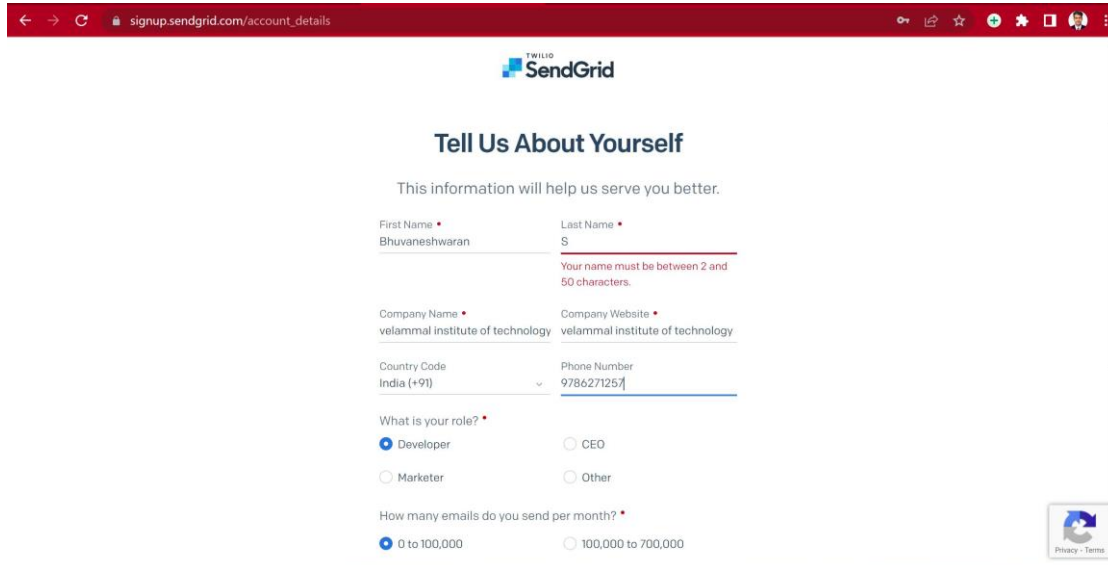

Step 1. Navigate to <https://sendgrid.com>

Step 2. Click on “Start for free” and register yourselves by entering required details and click on create account

The screenshot shows the SendGrid sign-up page. The browser address bar shows 'signup.sendgrid.com'. The page has a 'Let's Get Started' heading and a sub-headline 'Sign up for free. No credit card required.' The sign-up form includes fields for 'Email Address' (with the value 'muralidaranashwin@gmail.com') and 'Password' (with a strength indicator). There's a checkbox for 'Use email address as username' and a CAPTCHA 'I'm not a robot'. Below the form is a checkbox for 'I accept the Terms of Service and have read the Privacy Notice' and a 'Create Account' button. On the right, there's a 'Try it out!' section with a list of features: Automated drip campaigns, Password resets, Newsletters, Receipts, Delivery notifications and updates, and Promoted emails. A paper airplane icon is also present.

Step 3. Further fill all required details in next page and click on get started as shown below

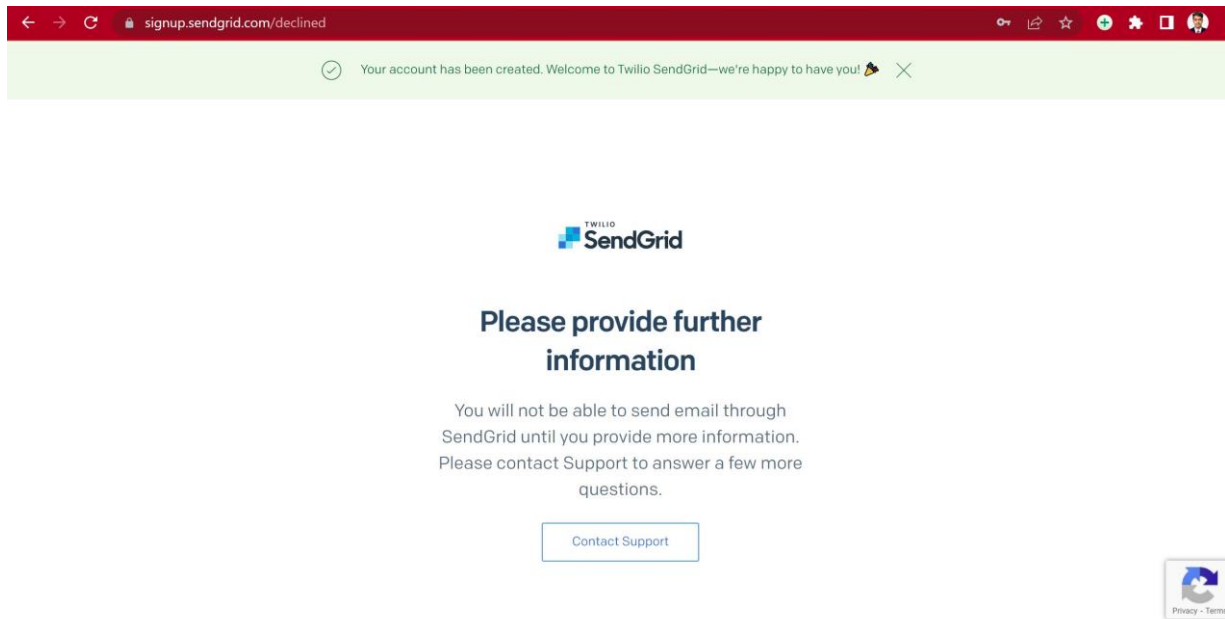

The screenshot shows the 'Tell Us About Yourself' page on the SendGrid website. The page is part of a signup process, as indicated by the browser address bar showing 'signup.sendgrid.com/account_details'. The form is titled 'Tell Us About Yourself' and includes a sub-header 'This information will help us serve you better.' The form fields are as follows:

- First Name:** Bhuvaneshwaran
- Last Name:** S (with a red error message: 'Your name must be between 2 and 50 characters.')
- Company Name:** velammal institute of technology
- Company Website:** velammal institute of technology
- Country Code:** India (+91)
- Phone Number:** 9786271257
- What is your role?:** Developer (selected), CEO, Marketer, Other
- How many emails do you send per month?:** 0 to 100,000 (selected), 100,000 to 700,000

A 'Privacy - Terms' link is visible in the bottom right corner of the form area.

Step 4. That's it you have created your SendGrid account and got access to dashboard

Output:

Send Grid account created successfully.
